ORDER:-

Under the scheme for assignment of land to political sufferers sanctioned in G.O.first read above, the families of those who have died in the political movements and of those who have taken part in those movements but subsequently died are also eligible for grant of lands. In the second G.O.read above the Government directed that the concession intended for the 'families' of the deceased political sufferers should not be construed to mean that it was heritable from the political sufferer by his legal heirs and by the legal heirs of such heirs. The question has been raised as to which persons related to the deceased political sufferer should be considered to be his 'family' for the purpose of grant of land under the scheme referred to above. The Government direct that widowed mothers, wives, sons, unmarried daughters and minor brothers of deceased political sufferers will be eiligible for the grant of the land due to the deceased political sufferer. Orders of the Government should be taken if in any other case the Collector considers the grant of the land necessary.
